EXPERIENCE

Director of Developmental Programs

Asphalt Green | 2025 - 2026

- Led youth programming serving 250+ participants each week and a coaching team of approximately 35 staff across recreational and developmental programs for ages 3 -14.
- Recruited, coached, evaluated, and developed staff while Used enrollment, attendance, retention, evaluations, and family feedback to identify needs and strengthen programming. quality.
- Identified and addressed a longstanding gap in girls' participation, expanding representation and opportunities within programming.
- Managed complex program operations including staffing, scheduling, rosters, family communication, seasonal programming, clinics, leagues, evaluations, and events.

Regional Commissioner, Division Coordinator, Board Member

GWYSL | 2019 - Present

- Help lead affordable community-based programming serving 1,000+ young athletes and families across North Brooklyn.
- Serve as a key liaison among youth, families, coaches, volunteers, schools, NYC Parks, Brooklyn Community Board 1, neighborhood organizations, and local government partners.
- Represented GWYSL through the community-board process after longstanding field access was threatened, working with Parks and local leaders to successfully advocate for additional public field time and preserve affordable youth programming.
- Coordinate coaches, families, volunteers, scheduling, events, communications, and conflict resolution across a large community-run organization.
- Currently coach players ages 11-14, emphasizing confidence, accountability, teamwork, leadership, and belonging alongside athletic development.

Founder & Program Director

SurViva | 2014-2025

- Founded and led an independent wellness and education practice serving individuals, families, athletes, and communities in New York and internationally.
- Managed program development, operations, scheduling, budgeting, communications, partnerships, outreach, and participant relationships.
- Designed inclusive and donation-based programming across ages, backgrounds, and abilities, building long-term relationships through community partnerships.
- Design and lead specialized strength, core, mobility, and endurance programming for Division I student-athletes at Columbia University.

Founder & Program Director

Mrs. Reads Library | 2020 - 2022

- Founded a grassroots literacy initiative during the pandemic connecting children and families with books and educational resources.
- Mobilized families, volunteers, donors, and community partners around children's literacy and access.
